BRAM STOKER'S

Dracula™

Bram Stoker's Dracula sucks you into a terrifying world of evil. And there's only one way to survive. Kill the Prince of Darkness! But it won't be easy. From deep in the cold, dark dungeons of Castle Dracula to the brutal Transylvanian countryside, you'll be in a constant fight for your life. As the sun sets, the evil Prince of Darkness rises and attacks as a bat, a vicious wolf, even an old man. With every multiple level – each divided into day and night – you're plunged deeper into the ultimate interactive experience, as Dracula rises in search of blood...yours! Incredibly realistic 3-D

graphics, digitized footage from the actual movie, CD sound, and characters based on real actors, turn this game into the ultimate interactive horror movie for your Sega CD.
